There are certain things that you should be looking for on a first date. You should be paying attention to the person's body language, their conversation, and their overall demeanor. If you're not feeling comfortable, or if you're getting any bad vibes, it's probably best to cut the date short.

Here are 101 signs that a first date should be your last:

They're late

Punctuality is a virtue, and it's one that's important on a first date. If someone is late for your date, it shows that they're not respectful of your time. It also suggests that they're not very organized or reliable.

They don't make eye contact

Eye contact is a sign of interest and respect. If someone is avoiding eye contact with you, it could be a sign that they're not interested in you, or that they're not being honest.

They're fidgety

Fidgeting is a sign of nervousness or anxiety. If someone is fidgeting a lot on your date, it could be a sign that they're not comfortable or that they're not enjoying themselves.

They're constantly checking their phone

If someone is constantly checking their phone on your date, it shows that they're not interested in what you have to say. It also suggests that they're not very present in the moment.

They're negative

A first date should be a fun and positive experience. If someone is being negative or complaining a lot, it's a sign that they're not a good match for you.

They're rude to the waiter/waitress

The way someone treats the waiter/waitress is a reflection of their character. If someone is rude or disrespectful to the staff, it's a red flag that

you should pay attention to.

They're condescending

Condescending people are never fun to be around. If someone is talking down to you or making you feel inferior, it's a sign that they're not a good match for you.

They're sexist or racist

Sexist or racist remarks are a major red flag. If someone makes any kind of sexist or racist comment on your date, it's a sign that you should end the date immediately.

They're pushy

Pushy people are not fun to be around. If someone is trying to pressure you into ng something you don't want to do, it's a sign that you should end the date.

They're dishonest

Honesty is essential in any relationship. If someone is being dishonest with you on your date, it's a sign that you should end the date.

They're not interested in you

If someone is not interested in you, it's a sign that you should end the date. There's no point in wasting your time on someone who doesn't want to be with you.

They're not a good fit for you

Even if someone is not a bad person, they may not be a good fit for you. If you're not feeling a connection with someone, it's a sign that you should end the date.

Trust your gut

Ultimately, the best way to know if a first date should be your last is to trust your gut. If you're feeling uncomfortable or if you're getting any bad vibes, it's probably best to cut the date short. You deserve to be with someone who makes you feel happy and comfortable.

Dating can be a lot of fun, but it's important to be aware of the signs that a first date should be your last. By paying attention to the red flags, you can avoid wasting your time on people who aren't right for you.
