About Duck & Run Red River Recovery

Duck & Run Red River Recovery is a nationally recognized treatment center accredited by the Joint Commission and licensed by the State of Texas. They have been providing evidence-based treatment for drug and alcohol addiction since 1998, with a focus on personalized care and long-term recovery.

The treatment philosophy at Duck & Run Red River Recovery is grounded in the belief that addiction is a treatable disease. They employ an integrated approach that combines medical, therapeutic, and holistic interventions to address the physical, psychological, and spiritual aspects of addiction.

Treatment Programs

Duck & Run Red River Recovery offers a spectrum of treatment programs tailored to meet the varying needs of individuals struggling with addiction. These include:

Residential Treatment

The residential program at Duck & Run Red River Recovery provides a structured and supportive environment where individuals can focus on their recovery. Clients reside at the center for 30 to 90 days, participating in intensive therapy, group counseling, and life skills training.

Outpatient Treatment

For those who require a less intensive level of care, Duck & Run Red River Recovery offers outpatient treatment programs. Clients attend therapy sessions and group meetings while maintaining their daily routines and responsibilities.

Sober Living

Sober living provides a transitional housing option for individuals who have completed residential treatment and need a structured environment to support their recovery. Residents live in a shared home with other

individuals in recovery, engaging in structured programming and attending regular check-ins.

Dual Diagnosis Treatment

Duck & Run Red River Recovery recognizes that addiction often co-occurs with mental health disorders. Their dual diagnosis treatment program provides specialized care for individuals who struggle with both addiction and mental health conditions.

Amenities and Services

Duck & Run Red River Recovery offers a full range of amenities and services to enhance the recovery experience for their clients. These include:

Comfortable Accommodations

Clients reside in cozy and well-appointed accommodations that promote rest and relaxation. The center features private and semi-private rooms, as well as common areas for socializing and group activities.

On-Site Medical Care

Duck & Run Red River Recovery has a team of experienced medical professionals available 24/7 to provide medical care and support. They offer medical detoxification, medication management, and general medical care.

Therapeutic Activities

The treatment program incorporates a variety of therapeutic activities designed to promote healing and personal growth. These include art

therapy, music therapy, yoga, and mindfulness meditation.

Recreational Activities

Duck & Run Red River Recovery provides recreational activities to promote physical and mental well-being. Clients have access to a fitness center, swimming pool, volleyball court, and walking trails.

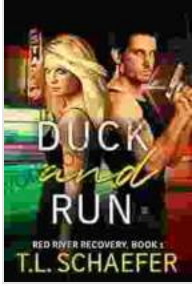

Success Rates

Duck & Run Red River Recovery tracks the progress of their clients after they complete treatment. Follow-up studies have shown that the center has a high success rate in helping individuals achieve long-term recovery from addiction.

One study found that 70% of clients who completed the residential treatment program remained sober one year after discharge. Another study showed that 80% of clients who participated in the sober living program maintained sobriety three years after completing the program.

Duck & Run Red River Recovery is a trusted and experienced provider of addiction treatment services. Their comprehensive range of programs, state-of-the-art facilities, and compassionate staff create an environment where individuals can embark on their journey to recovery. With a focus on personalized care and evidence-based treatment, Duck & Run Red River Recovery empowers individuals to overcome addiction and live fulfilling lives.
